SCHOOLS DEVELOP HOUSING POLICY

OLYMPIC OFFICES HOUSED IN ANTIOCH

PHILIP O. KRUMM

The President of the United States Olympic Committee, Philip O. Krumm, has chosen The State Bank of Antioch for his main headquarters. Krumm will be maintaining an office in the Bank for the next four years. He has owned a home 6 miles out of Antioch on North Avenue for the past 25 years.

To say that Mr. Krumm's job is a difficult one is to put it mildly, as Mr. Krumm said himself, "Believe me you don't know the half of it."

Winter Olympics will take place in 1976 in Innsbruck, Austria, Summer Olympics in Montreal, Canada and Pan-American Olympics in 1975 in San Diego, Chile.

One of Krumm's first steps was to get the athletes

ACHS HOSTS REGIONAL BASKETBALL TOURNEY

The State Regional Tournament will be held in the Antioch Gym on March 6, 7 and 9. This is the first time in the history of the school a regional tourney has been held here.

Game time is 7:30 p.m. for each night. The first game will be between McHenry and Woodstock on March 7th. The second game on Wednesday will feature the Antioch Sequoias against the Grant Bulldogs. The two winners will play on Friday March 9th for the Championship.

The Regional Champ will then advance to the Sectional Tournament to be held at Rockford. Other regional winners advancing to the Sectional tourney are winners advancing to the Sectional tourney are winners at Rockford Boylan, Rockford Guilford and Cary Grove.

Little Corrine Grandsart, age 3, didn't win any of the races at the Oakwood Knolls first annual Skating Derby held on Sunday, February 25, but she did win the blue ribbon for being the littlest skater of the day. (Staff Photo)

This week four of the area school districts have stepped forward and adopted a common policy on Housing. The policy was drawn up by six of the school districts, including District No. 24, Millburn, District No. 33 Emmons, District No. 34 Antioch Elementary, District No. 36 Grass Lake, District No. 44 Lake Villa, and District No. 117 The Antioch High School.

Each school district sent representatives to the meetings to iron out their various problems and to let these problems and needs be known. Participating representatives were: from the Antioch Elementary Jay Richardson, Dick Harland and Ray Atwood; from the Antioch High School District, Larry Fears, Bob Lindblad and Bette Meyer; from Emmons School District, Ronald Sheedlo and Richard Ruck; from Grass Lake, John Steitz; from Lake Villa, Gerald Nordness; from Millburn, James Weise. These representatives met for some 150 hours and finally turned up a five page document expressing a recommended policy on housing developments. The policy has already been adopted by the Antioch High School, Grass Lake, Lake Villa, and Emmons. The Antioch Grade School and Millburn have not met on the subject yet.

The document is thought to be complete and concise by the schools. The figures the report was based on were derived from

the Illinois School Consulting Service, Naperville, Illinois and a study that was made by Gurnee. The report may be updated in the future, but at this time it is considered a "very good starting point."

The following is the policy that has been adopted by the school districts:

The Board of Education believes that the unique and specific measurable burdens cast upon the District directly attributable to Housing Development should, at least in part and in reasonable degree, be the obligation of the developer.

The area served by this District is experiencing an explosive growth in population. The resulting rapid growth of student enrollments causes immediate increases in operating costs and creates a need for additional school facilities. This situation is further aggravated by present near capacity enrollment and insufficient bonding power.

The size and complexity of proposed new Housing Developments within the District require more thorough planning by the District and cooperative action with the municipal governing bodies involved.

In order to provide for the general welfare of the community and the students of the District, the Board of Education has reviewed the needs of the District relative to operating

Continued on Page 16

CURNES NEAR FINAL DECISION

The decision on the proposed Curnes property development is in its final stages. On Monday, February 26th, the Village Board held a special meeting at which a general presentation of the plans were presented and discussed. This coming Monday, March 5th, at the regular Village Board meeting, the Board will announce their decision as to whether they will grant a change in the zoning classification of the property from R-4 two-family district to R-5 multiple family district.

The estimated value of the Curnes property when completed would be \$6,600,000.00. There are 122 units of townhouse developments with 82 three bedroom units and 402 bedroom units ranging in price from \$27,500 to \$29,500; 64 condominium units with a price of \$25,000 each and 84 rental units, 2 bedroom, renting from \$195 to \$220, that have been

proposed. Of the 22 acres involved, 55 percent of the land would be green acres. Retention ponds would be provided on the property and streets are to be paved.

Developers stated they prefer that the dedicated street, Greenbriar, already on the property, not be a thru street to avoid truck traffic through residential area. Opposition was raised by the Board as to the street remaining closed. Questions were also raised as to the traffic that will be generated by the development, and to the adequacy of the retention ponds.

Several school superintendents were on hand to consult with the Board and Larry Fears, a member of the High School Board, was there also to explain the newly adopted policy of the schools. Developers said they would be willing

to pay \$25,000 - \$30,000 to make up the difference of the property tax lag, that would be paid at \$100 per unit when occupancy permits were issued. According to the school formula this figure is short \$5,500 and the developers agreed to pay this additional amount.

Developers also agreed to

work out suggested changes in the proposed retention ponds and to work out difficulties concerning Greenbriar St.

When the meeting adjourned Mayor Toft said: "We will take an official vote on this on Monday night, but as of right now we are all pretty well in favor of it."

MAYOR TOFT ANSWERS

THE ANTIOCH NEWS has compiled a list of questions they feel are pertinent to a prosperous future in Antioch. These questions were then submitted to all three of the mayoral candidates. Out of the three candidates only Mayor Toft chose to submit his answers to us. We will continue to publish Mayor Toft's answers to the questions we submitted.

The Staff of THE ANTIOCH NEWS purposely selected the questions on subjects that are of vital importance to our fine community of Antioch.

QUESTION: Into what areas would you like to see the 1973 Revenue Sharing funds distributed?

Contribute toward the solving of storm water drainage problems within the village.

Also use Revenue Sharing funds toward the up-dating and codification of Village Ordinances.

Either institute or contribute toward a transportation plan to serve the needs of the elderly

and other members of our community.

Provide additional recreational facilities.

QUESTION: Concerning the area of our senior citizens; With taxes skyrocketing, do you feel special housing is in order for their benefit?

Yes. The Village has had an application on file with the Housing Authority of the County of Lake since 1970. Recent communications from the Director of the Housing Authority, George Dietmeyer, informed the Village that Federal Funds have been frozen for eighteen months, but will keep us informed on any progress.

QUESTION: Do you feel that at present we have enough recreational facilities for not only our children, but people of all ages?

Definitely No. A special committee is working on the securing of federal grants for the purchase of acreage for recreational facilities. Just recently a letter has been received from the Antioch Community High School exploring the possibility of a mutual cooperative project between the schools and the village to provide recreational opportunities for the entire community to which I will give my undivided support.

PLANNING COMMISSION ACCEPTS SCHOOL POLICY

The housing development policy that was drawn up and accepted by the area schools was formally accepted by the Planning Commission on Thursday, February 22. The commission has now placed the policy on file for further reference and consideration.

A preliminary presentation of the drainage and street comprehensive plans was made by Engineers McClure and Leckman of Waukegan at the meeting. The engineers asked for any suggested changes or

recommendations by the commission.

The planning commission also worked on the revision of the subdivision ordinance through the technical help of Village Engineer Frank Angelotti, Superintendent of Public Works, Tod Maplethorpe, and Village Attorney, Ken Clark. The attorney will draw up some of the suggested amendments and this material will be presented to the Planning Commission for their consideration.

EDITORIAL

A STEP FORWARD

As High School Superintendent Warren Polley said at the High School Board meeting last Wednesday night, "the school representatives who worked on formulating a housing policy for the schools deserve a great deal of credit."

Credit should be given where credit is due and this certainly is such a case. It is indeed an accomplishment that the six schools were able to join together to iron out their different individual problems, and come up with a common policy that should be beneficial to them all. It is obvious that this was not an easy task and that many man hours were spent to develop this policy.

The schools efforts should encourage other branches of government including Village, County and Township governments to extend as much effort and thought to adequate planning to avoid conflict from new developments in the whole area as well as in the Village itself.

Only the luxury of hindsight would permit us to make a judgement as to the viability of the policy, but it should be said that at this point the concepts of organized planning and stated policies is definitely a step in the right direction.

Continued

OLYMPIC OFFICES HOUSED IN ANTIOCH

themselves involved with the United States Olympic Committee (USOC). In a press conference on February 11th he said,

"Seven former Olympic athletes, including two 1972 Munich gold medalists, were elected to the USOC Board of Directors at its first meeting of the new quadrennium last Friday.

The selection of these athletes is only one example of our philosophy to give Olympic athletes a stronger voice at all policy-making levels of the USOC. In addition to serving on the Board of Directors, three of them were also selected for the Executive Committee of 21 members of the Board of Directors. We have 55 members of the current Board of Directors, including four past Presidents of the USOC.

The Olympic athletes chosen were: Capt. Micki King, USAF, Frank Shorter, Jesse Owens, Dr. Tenley A. Gardiner, Susan Chaffee and Wm. A. Toomey.

One of the major items adopted by the USOC at its first

meeting of the new quadrennial was the adoption of a proposal to set up within 60 - 90 days an Athletes' Advisory Council of up to 21 members - the same size as that of our Executive Committee.

It is significant that the Board agreed that such a Council would be selected by athletes themselves, under the leadership of the seven former Olympic athletes who have been elected to the Board of Directors.

The Board of Directors will not play a role in the selection of the members of this Council. Selection will be, I emphasize, by the Olympic athletes on the Board of Directors.

At the suggestion of one of these athletes on the Board, the Olympic athletes will draw up a list of suggested members and will also receive suggestions from sports governing bodies, and the USOC Sports Committees.

This positive action by our board of Directors indicates the importance that the USOC has

Letters to the Editor on any current issues are welcome. Only letters with names can be considered for this column. Signatures will be withheld on request. Letters cannot be returned and are subject to minor editing.

Dear Mr. Rush:

The picture presented in the February 21st issue was Mrs. Ruby Richey's Foods Class of 1927. This was the first class to enter the 2nd new addition to Antioch High School. It was and still is rooms upstairs occupied by Home Ec classes.

In the picture from left to right-1st row: Esther Anderson, Dolan, Pauline Shedel Pullen, Olive Message Hallawas, Virginia Curtis Alvers, Marie Sheddle Wells, Grace Nelson LaFayette, Alma Grulich Boh-nigh, Helen Buchert Schaeffer and Ruby Richey, teacher.

2nd row: Margaret McCormack Milner, Marge McKinney Grulich, Helen Pedersen Nelson, Elizabeth Anzinger Anderson, Evelyn Brunfield, Hazel Sheehan Justice and Margaret Glossman. Clara Christensen Vos is not on the picture.

Two are deceased - Evelyn Brunfield and Helen Buchert Schaeffer.

It was Ruby Richey Erwin's first full year of teaching at Antioch. She is Mr. Petty's sister and lives in Sumner, Illinois with her husband Ernest Erwin.

placed on having Olympic athletes play a stronger role in determining policy for the Olympic Games of 1976. Also, the Olympians who have been elected as at-large members of the Board will provide the vehicle for athletes to bring to the attention for ACTION of the Board those matters which most concern them.

I repeat, for athletes to bring to the attention of the Board those matters which require ACTION - AND I promise you that ACTION will be taken promptly on all matters brought to our attention."

Will Grimsley of the Associated Press from Colorado Springs had said of Krumm: "There's nothing devious, formal or pontifical about 66 year old Philip O. Krumm, the grandfatherly, little-known Mid-west industrialist who has taken over the job of trying to lead the U.S. Olympic Committee through its greatest crisis.

Bombs are exploding and arrows are flying all around him but the new president of the

THE BETTER WAY TO HELP THE POOR

Dismantling of the Poverty Program is causing substantial consternation among the nation's 1,000 Community Action Agencies. Some of this consternation may be justified.

When established by the Congress in 1964, the Office of Economic Opportunity (OEO) was heralded as a major part of the late President Johnson's "War on Poverty."

Funds totalling more than \$740 million were disbursed by OEO last year, principally through the locally-constituted boards operating Community Action Programs (CAP). These CAP agencies have functioned with a minimum of involvement by elected officials. Indeed, this circumstance has resulted in some conflicts between these non-elected boards and the locally-elected officialdom.

Elimination of the OEO should not be interpreted as a termination of those parts of the Poverty Program which have produced substantial benefits to disadvantaged and minority citizens. Indeed, the end of OEO was begun some time ago when the pre-school program "Head Start" was transferred to the Department of Health, Education and Welfare (HEW), and some volunteer activities - including VISTA - were absorbed by the agency known as ACTION.

Under the President's budget proposal, job training and migrant workers' programs are to be transferred to the Department of Labor, with an appropriation next year about \$4 million higher than this year's figure. Alcoholic counseling and treatment, as administered by OEO, will be continued under the aegis of the National Institute for Alcoholism and Alcohol Abuse. Funds for this program, as well as for the OEO-administered drug

rehabilitation activities are to be found in the HEW budget. Family-planning counseling also is to be funded and administered by HEW.

While placing major responsibility for directing programs (formerly administered by OEO) in the hands of local and state officials, the President emphasizes that general revenue sharing funds may be employed in establishing local units to replace the dissolved CAP agencies.

Some critics have leveled charges that municipal and county officials have little concern for the poor. However, such attacks are quite irresponsible. It is both logical and economical to utilize the experience and know-how of locally-elected officials with respect to the major problems of the poor. With the added cooperation of community "volunteers," greater assistance for the disadvantaged and the poor should result than when such responsibility was delegated to non-elected officials in Washington - and locally. Some \$5.5 billion of general revenue sharing funds are now available to states and local governments, some part of which should be used to defray the cost of assuming this responsibility.

Some opponents of the President's recommendations suppose that by public demonstration, extensive lobbying and other pressures, the Poverty Program as now constituted may be salvaged, and that OEO will be revived with the same, or even increased federal funds. From this Member's vantage point on Capitol Hill, this result seems quite improbable. The President's and many Congressmen's concerns for the poor are coupled with a recognition that a number of the existing programs have failed to achieve measurable results. Also, they feel that local officials (in contrast to federal bureaucrats) are better equipped to control these activities. Indeed, broad community involvement is the most vital element in improving the quality of life at the local level.

It is to be hoped that local CAP personnel may work with elected officials (including this Member of Congress) in meeting the problems of the poor - seeking better solutions than have been provided under the OEO-administered programs.

USOC seems to remain unruffled.

"We can solve our problems," he says quietly.

Few people outside the Olympic Committee itself or the speed skating around West Allis, Wis., ever heard of him until he was suddenly thrust into the most important post in America in amateur sports.

"If people thought they were getting a country bumpkin or just another establishment figure, they're going to be surprised," a high-ranking U.S.O.C. committeeman said. This is a man of action."

SKATES SHARPENED FOR OAKWOOD KNOLLS DERBY

On Sunday, February 25, the Oakwood Knolls Property Owners Association held their first annual Ice Skating Derby. A nice crisp day brought out about 24 participants and numerous onlookers at the Cross Lake beach.

Three races were run with the young people divided into three groups; 7 and under, 8-12, and 13-18. The races were obstacle, long distance and point and return. Winners in the 7 and under group were Debbie Perry, Wendy Grandsart and Carleen Warren. In the 8-12 group were girls; Audrey Smith and Sandy Burritt and boys; David Barker, Steve Burritt, Bradley Warren and Joe Gawerecki. And in the 13-18 age group the winners were Randy Hanson and Phil Lindberg.

Littlest skater was Corrine Grandsart, Age 3. Free hot chocolate was

THE RACE IS ON

served during the derby. Mrs. Fred (Claudette) Skvarce and Mrs. Frank (Roberta) Warren were the co-chairmen for the day.

The Oakwood Knolls Property Owners Association is a social organization in the subdivision, their president being Mr. Frank Warren. This Christmas they

arranged to have "Santa" stop in the area; are planning a candlelight bowl; and will be having their spring dance on April 28th.

SPECIAL INCOME TAX

BOOKLET

FOR FAMILIES

OF RETARDED

A new guide explaining income tax deductions for parents of retarded children and adults is now available without charge for those who are interested.

A special 1973 Edition of "Income Tax Deductions for Families with Retarded Children and Adults" is published by the Illinois Association for the Mentally Retarded (IAMR), according to Don Moss, the association's executive director. Single copies are available free by writing the association's office at 343 S. Dearborn, Room 709, Chicago, Ill 60604.

Prepared in consultation with the Internal Revenue Service and qualified tax specialists, the document lists a variety of exemptions and medical deductions for payments that parents make for day centers, residential care and other services for their retarded dependents.

ROAR—R—R—R!

Mrs. Margaret Harrison is busy carrying on her duties in the cafeteria at the Antioch High School. She has been in the High School since its early years as she began her work back in 1935. (Staff Photo)

Serving as many as 125 malts a day, Mrs. Harrison keeps a fast pace during lunch hours at the ACHS cafeteria. Although she is 65, the high school board has voted to retain Margaret on a year to year basis. (Staff Photo)

MARGARET HARRISON SETS A PRECEDENT

When Mrs. Margaret Harrison graduated from the Antioch High School in 1926, she was known as Margaret Dunn and was one of 19 graduating seniors. Things were a bit different then and the cafeteria program consisted of a table in the hall that was stocked through the efforts of the home economics classes. In 1935 Margaret Dunn returned to the high school to assist Mrs. Murry, who was then the cook, in the kitchen. The cafeteria program was run in conjunction with the home economics department and they served about 75 students daily.

Mrs. Murry, who died last summer at the age of 96, and Mrs. Harrison used to peel the potatoes by hand as well as washing the dishes. Their homemade pies were popular and Mrs. Harrison said that when they would serve chili and beef stew every student in the school showed up in the cafeteria.

At that time Junior and Senior proms had not been born at the school, instead the classes had a

WILD GAME DINNER MERITS APPLAUSE

The Rotary's Fourth Annual Wildgame Dinner was held last Saturday night, February 25th at St. Peter's School. Over 500 people attended the much talked about event. The dinner was caught and cooked by the Rotary Club members. Included on the menu was venison, caribou, moose, sauerbraten, roasted partridge and wild duck casserole.

The vegetables were prepared by the Sisters of St. Peter and they also helped with the serving. Wives of the Rotary members topped off the dinner with their homemade pies.

Following the dinner, dancing and entertainment was held in the school gymnasium and the Scotch Lads provided the music. Four prizes were awarded. Pres Reckers won the Color TV set, Janice Hunt a minibike, and a charmglow barbeque and a shot gun were also given away.

banquet, which was also prepared by these ladies. The home ec girls received first hand experience as they helped out too.

In 1945, after the war, Margaret left the high school once again but this time it was to get married. She has one son Jerry, who graduated from the school in 1966. Two years prior to that time Mrs. Harrison again found herself part of the

cafeteria staff.

For the past nine years now she has enjoyed her work and has done an efficient job as always. But there was a question as to whether Mrs. Harrison would be able to begin her tenth consecutive year next fall. Mrs. Harrison is now 65 years old and there is a strict rule about retirement in the school.

However, Mrs. Harrison's

case is not included in this rule as the provision restricts teachers and personnel who are under contract with the school. Mrs. Harrison does not have a contract with the school and is considered as part-time help, working from 10:00 until 2:00.

The high school board decided at their meeting on Wednesday night to let Mrs. Harrison remain at the school on a year to year basis providing that she pass the set physical. The board

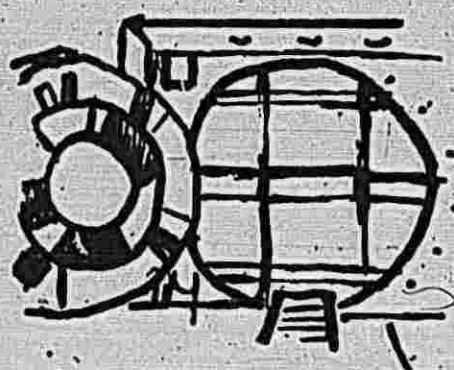

at the same time voted to draw up a policy which would permit non-certified employees to continue their work on a year to year basis depending on their passage of the physical. Each case will be left up to the discretion of the board.

So next year Mrs. Harrison will continue selling cupcakes, milk shakes and milk in the cafeteria. Presently she estimates she serves approximately 125 malts a day and she is still going strong.

70 YEARS AGO, FEBRUARY 26, 1903

Mrs. James Gerred entertained a few friends at a "Bag Bee." At noon a fine dinner was served to which all did justice. 2 prizes were offered, Miss Addie Wilton winning first and Miss Ada Buttrick the second.

There will be a dance at the Sabin Hall on the evening of St. Patrick's Day, March 17th.

50 YEARS AGO, MARCH 1, 1923

Have you ordered your Flivver yet? Bill Rosing says he is hollering his head off, but can't get enough to supply the demand. Bill says, "If you're going to ride in a Ford this summer, you'll have to either order now or walk."

Antioch's quarantine, which has been in existence since February 12 will be lifted on March 3. School will start March 5th.

20 YEARS AGO, FEBRUARY 28, 1953

Students at Antioch Community High School have been busy this week determining class schedules for next year. Friday afternoon was set aside for visits from the eighth grade classes. An enrollment of 418 pupils is expected next year.

10 YEARS AGO, FEBRUARY 28, 1963

The grand opening of the Roller Rink on Broadway in Antioch attracted 225 devotees of the sport to the establishment. Mayor and Mrs. Murrill Cunningham and Mr. and Mrs. Edgar Simonsen and Police Chief Walter Scott were among those who attended.

Christine Hunt of 909 David Street, 6th grade student of St. Peter's School was the essay contest winner for Chicago chapter, D.A.R. She was presented with a Certificate of Award for outstanding work in American History.

REMEMBER WHEN

REMEMBER WHEN? We don't, but we know that all it takes sometimes is a little reminder to jerk a memory and bring back recollections of those days gone by. Each week we print an old photo submitted by an Antioch resident. Some we will be able to identify. For others, we leave it to you to search your own mental scrapbook. Call us if you can identify a photo. Better yet, if you have a memorable photo to share, bring it in to the office.

CHAMBER INVITES BUSINESSMEN TO RETAIL COMMITTEE MEETING

The Retail Committee of the Antioch Chamber of Commerce has sent out meeting invitations to all businessmen in the greater downtown shopping area. The purpose of this meeting is to initiate a united effort towards solving the problems common to all businessmen in the area and to promote Antioch as an entire shopping and business community. The meeting will be held at 7:00 p.m. on Tuesday, March 6, 1973 in the Community Room at the Antioch Savings

and Loan.

Problems of mutual concern will be discussed and a priority list will be established. It is hoped that a united effort can be taken in terms of parking space, store hours and advertising. The committee also hopes to encourage beautification and modernization of overhead signs, store fronts and store interiors.

We strongly urge all of the businessmen (professional and retailer) who operate a business in the area of Lake, Main, Broadway, Orchard or Victoria

Streets as well as the area of Rte 173 and 59 to attend or have a representative present. We hope we can have 100 percent attendance at the meeting on March 6th in the Savings and Loan Community Room. This meeting is not restricted to Chamber members and no obligation will be exerted by the Retail Committee on non-members. Only by working together as a single unit can we insure the direction our growth will take.

"TORK" TALKS

by: Tork Torkelson

IMPORTANT MAINTENANCE AND SERVICE TIPS

(continued from last week)

5. Watch for the Warnings: Most car problems signal ahead. Watch for the first warning signs. Then get your car checked out the moment you detect a problem. Little problems don't go away - they just grow bigger and more expensive.

6. Did Something Go Wrong?

If something did go wrong with the car, take time to write out a description of what happened, what the symptoms were. Describe to the service people the circumstances and conditions under which the trouble occurred. This will help them find out what the trouble is and correct it more quickly.

Along the Way with *Annie Mae*

Well, Peggy and Jerry Van Patten are enjoying the exciting life of Hollywood, California. They left Saturday for the Pillsbury Bake-Off finals which were held on Tuesday. Last Thursday, February 22nd the seven Chicago area Bake-Off winners were guests of honor at a Champagne Press and trade luncheon at the beautiful Regency Hyatt House. Barb Rush and Peggy had a nice visit on the way and were treated to a lovely luncheon along with all the excitement and cordial chatting with Pillsbury, GE and Jewel representatives. They showed a movie of the 1968 Bake-Off and what these ladies can expect - It's enough to make me want to try it next year!!

Marian Prange spent the week-end with her daughter Sheri who is a freshman in College at DeKalb. Marian said every parent should spend some time at their child's college. It makes it easier to understand what their young people's lives are about!

Cory Vanderwall is going to be missing nursery school for a little while - 4 1/2 year old, Cory of Petite Lake, Antioch, broke his leg while sledding and it's a bit difficult walking on crutches. I'm sure before long he will be getting around with ease though. How about some cards and pictures from his nursery school mates - that will speed him along to recovery.

The First National Bank of Antioch has captured the "First Robin of the Year" Robin Hunley has been accepted as a contestant in the Miss Illinois Teen Ager Contest, and will be sponsored by the First National Bank of Antioch. The bank will be providing Robin with \$100.00 for the contest costs which will be held in Chicago on July 6 and 7. Robin, a sophomore at Antioch High School, will be judged on the basis of her poise, personality, scholastic achievement and beauty. This Spring will be a very busy time for Robin as she prepares for the big day. GOOD LUCK ROBIN!!

March is blowing in with it's share of birthdays - Steve Haley, Ev Oftedahl and Mike Gutowski, also Father Kuesal are ushering it in on the 1st day of March. Then comes Frank Benes Sr. and Ron Bratzke on the 5th. Many happy returns to you all.

Just a day late in coming out but the wish is still sincere - Happy anniversary to Gigi and Jim Spittle who celebrate on February 27th.

With the weather being so nice this weekend Barb and Lori Rush took off for Wawaka Indiana and a visit with good friends. Lori was so pleased to see the town and home where her brothers lived before moving to Antioch.

Charmaine (Daniels) Fagen just returned from a weeks vacation to Florida. She has a lovely tan but guess it had to be done all in one day as the weather was cool and just not very nice for sun bathing.

The 7th Grade Class at the Upper Grade Center will be holding another paper drive this Saturday. If you have papers for the kids - please call Jimmy Gutowski at 395-1317 for pick-up service.

The recipes of the best cooks in Antioch have been assembled in the Woman's Club Cook Book and they are available at the 1st National Bank for \$3.50. Be sure to pick up your copy while the supply lasts.

Mrs. Valerie Hunley is in Victory Memorial Hospital recovering from major surgery. Her husband Joe and all of Antioch wish her a speedy recovery.

The First National Bank of Antioch has had several groups touring their new banking facilities this month. Among these groups were the Salem Central High School's Special education class with their teacher, Mr. Peters. And just last week Brownie Troop No. 185 under the direction of Donna Dahlberg toured the bank.

The Chamber of Commerce is planning a dinner for the Village candidates on March 27th at 12:00 noon.

Antioch bids a fond Adieu to Reverend Donald C. Cobb of the Methodist Church. Our prayers and thoughts are with you.

Many calls have been received at the Antioch News Office inquiring about Dr. Edward Abderholden. They all send their prayers and good wishes for a speedy recovery. So, Get Well Quick "Dr. A."

Be sure to check on page 7 and find out how WE can send you on a trip to Las Vegas. Any subscriptions you may have already sold may be turned in to us at any time. We will keep track on a chart of the progress of your sales.

A "swing'n party is being planned for April - That's when the fun begins!!!!!!"

Remember this Friday night's basketball game. This is the last conference game of the season and it's Parents' Night, so be sure to attend.

Well, On My Way,

Annie Mae

HOMEMAKERS DISCUSS WORK SIMPLIFICATION

Lake Region Homemakers held their February meeting at Mrs. L. Kennedy's home. The Homemakers answered their roll call with a comment about a job each one of them most dislikes in their everyday role as homemaker. Four guests were introduced.

Mrs. Ann Connors held an open discussion on "Work Simplification In The Home" and also passed out literature, pertaining to the subject. Mrs. Phyllis Drije showed examples of Mosaic Knitting, which she learned at a Lake County Homemakers' meeting. Mrs. Proctor displayed a sleeping bag, she made from patches of denim and corduroy. Our Homemakers unit encourages members to bring and exchange or share their homemaking knowledge with each other. This is why our unit is an extension of the University of Illinois and is able to secure information from specialists at the University. At the conclusion of the meeting Mrs. Mary Wells, Mrs. Ann Connors and Mrs. Angie Maras discussed a style show to be presented in the fall. Mrs. Laurene Volling, a co-hostess helped to serve a cherry dessert. The March 21, meeting will be held at Ann Connors home on Grass Lake Rd. Any interested homemaker may contact Mrs. A. Connors 395-0439.

IVI ASKS ALL CITIZENS FOR ONE TAX DOLLAR

The Independent Voters of Illinois today urged all citizens of Illinois to take advantage of the opportunity to determine the outcome of the 1976 Presidential election.

"For the first time in history, the average citizen can allocate where a portion of his federal tax money goes," said Sherwin Swartz, IVI's Executive Director of Political Action.

"By earmarking one dollar of his taxes to either the Democratic party candidate, the Republican party candidate or a non-partisan fund, the 'John Does' of this country can finally take the political power away from special interest groups.

"Instead of owing favors to and protecting the interests of Dow Chemical, Lockheed and ITT due to their vast financial contributions, the presidential candidate elected in 1976 could be one of the first presidents responsive to all citizens and protecting their needs.

NEWCOMERS TO HOST CARD AND GAMES PARTY

LIONS CLUB ENTERTAINS THE LADIES

WOMAN'S CLUB ACCEPTS NEW MEMBERS

The regular meeting of the Antioch Woman's Club was held on February 19. The new members welcomed into the club are: Mrs. Dee Lewis, Mrs. Lynn McKenna, Mrs. Sally Channon, Mrs. Blazevich, Mrs. Avon Cote, Mrs. Esther Jacobson, Mrs. Tom Santino. There are still Woman's Club Cook Books available at \$3.50. Members will have an opportunity to purchase souvenir plates for the U.S. Bi-Centennial. They are the first in a series to be issued between now and 1976. Tickets are available for the 10th District Ways and Means party on April 5. Mr. James Fields, a representative from the Antioch Rescue

Squad gave an interesting review of the background of the Squad. He explained what the men are required to know about first aid and all the training they go through. He also explained the new equipment used for the care of a heart patient.

Mrs. Sherman St. Pierre and her committee served refreshments.

WOMEN'S CLUB TO HEAR FLORENCE BABUSEK AND FRED HOLBERT

The date of the annual Antioch Woman's Club tour has been changed from April 11 to March 26. The trip will be by bus to McCormick Place in Chicago, to visit the Flower Show. Luncheon will be in the Kon-tiki Port. Reservations must be made by March 10. Members may contact: Mrs. Fern Watson - 395-0145 or Mrs. Shirley Stanich - 395-0676.

WOMAN'S CLUB TOUR DATE CHANGED

The next regular meeting of the Antioch woman's Club will be March 5. The program will be presented by Miss Florence Babusek and Mr. Fred Holbert of Palette, Masque and Lyre, the well-known dramatic organization in Antioch.

WOLF & WOLF

Attorneys & Counselors at law

announce that

they have moved their law

offices to a new location:

376 Lake Street

Antioch, Illinois 312-395-3430

The Antioch Welcome Wagon Newcomers' Club will hold its monthly meeting Wednesday - March 7th at 8:00 p.m. at the State Bank of Antioch. We have many activities coming up in the months ahead, so plan to attend for all the news and dates.

We are happy to report the dinner and theater party was a huge success. Members and guests met at the Brave Bull for a delightful dinner and then proceeded to the Theater for an evening of laughter viewing the play "Plaza Suite". Pam Hill of the Newcomers' was in the play and came through with flying colors. After the play members ended the evening with coffee at the home of Barb Joerns.

The Newcomers' Social Evening of the month will be held at the home of Mr. and Mrs. Bunker (Shirley) - March 3rd at 8:30 p.m. Members of Newcomers' are invited to come for a pleasant social get-together. Give Shirley a

call for directions and more information. Bring along your own liquid refreshment. 395-1413.

A "Coffee" for Newcomers will be held on Thursday, March 1st at 9:30 a.m. at Betty Baker's. Call 395-3650.

The Antioch Newcomers' will hold its First Card and Games Party on Wednesday, March 14th at 8:00 p.m. at the American Legion Post on Ida Street. Prizes will be awarded and refreshments served. Everyone is welcome to attend. If you have a gift or donation towards the card party, please bring it along to the monthly meeting on March 7th. Mrs. Quirk and Mrs. Gardula will be most grateful.

Our Arts and Crafts department has this date for you to jot down: March 7th - 9:30 a.m. at Betty Baker's home for a demonstration on making styrofoam angels - these are draped - starched and finished very lovely. Call 395-3650 for information.

KEY PUNCH COURSE AT CLC

A course designed to train students for a career in key punching is being offered by the College of Lake County.

Upon completion of the course, students will possess the proficiency required by industry to qualify as applicants for the position of beginning key punch operator.

The course is open to new students. Since the course required individualized instruction, students may choose their own class time by arrangement with the instructor.

A corrected typing speed of 45 words per minute is required of enrolling students.

Interested individuals may contact Clifton DeBates, business division chairman, at the College for further information. The telephone number is 223-8193, Extension 66.

WAUKEGAN LIBRARY CELEBRATES 75th YEAR

The 75th anniversary of the founding of the Waukegan Public Library will be celebrated with a dinner and an address by an internationally known educator March 29 at the Swedish Glee Club in Waukegan.

Sponsored by the Friends of the Library, the jubilee will mark the establishment of the library in 1898 as a public, tax-supported institution. The festive atmosphere will be enhanced by music of the 1890s.

HASTINGS Y BAKE SALE

The mothers of the boys who play hockey for the Hastings YMCA are sponsoring a bake sale to be held at the First National Bank of Antioch on Friday evening, March 2nd, from 6 to 8 p.m.

The Antioch Lions Club will hold their Annual Ladies Night dinner on March 17th at The Abby in Fontana, Wisconsin. There will be a cocktail hour from 7-8 p.m., followed by a prime rib dinner and dancing. Those who would like to spend the night are advised to call early for reservations.

Tickets are \$25 per couple and will be on sale for Lion Club members and their guests at the State Bank of Antioch, The First National Bank and the Antioch Savings and Loan.

CHORAL FESTIVAL HELD AT LAKE FOREST

The Antioch Acapella Choir went to Lake Forest High School for the annual Choral festival. The festival started at 7:30 p.m. The following schools participated: Antioch, Grayslake, Warren, Grant, Lake Forest, Lake Zurich, Round Lake, and Wauconda.

The festival is when all the schools sing as a group. The different sections included sopranos, altos, tenors, basses, accompanist and bass quartet. All the people, from the different schools, in the different sections, sing together.

The program had the whole choir sing three songs. Then the boys choir and next, the honor choir. To end it up, two songs by the girls choir and three more songs by the entire chorus singing songs that were as sweet as a bird's.

Records were made of the concert and are available by order. The cost of the record is \$3.20.

GAY '90'S RACING BALLOON AT FLOWER SHOW

A colorful racing balloon, typical of the sports-active days during the Gay '90's, will be the first sight to greet visitors' eyes as they enter the all-new 1973 Chicago Flower and Garden Show, McCormick Place, March 24-April 1.

Anchored at the end of a promenade of colorful feature gardens, the balloon will typify the theme of the Flower Show, "The Turn of the Century".

This authentic balloon will be 16 feet in diameter and almost 37 feet tall, from the top to the base of its wicker gondola. The basket itself will be resplendent with thousands of plants in full-blossom, interspersed with foliage plants and hanging ferns.

Buick Motors Garden Depicts Backyard Fun

With a background of rustic wooden fence, to which dart boards and other appealing family game targets have been affixed, the focal point of this garden will be a giant shade tree, with the imaginative designation: "The Buick-Opel Family Tree". There will also be yard games surrounded by typical colorful plantings of shrubs and flowers in full bloom.

YELLOWBIRD BECOMES A RECORD

When Violette Johantgen used to sing her favorite song at various luncheons and social affairs, she acquired a name for herself and is presently known as Vi's Yellow Bird.

The song "Yellow Bird" was composed by Vi herself. It is a mild country western song and is sung by Vi in both English and Polish. This Spring the song will be released on both 33 1/3 and 45 LP's. The lyrics and the music were arranged and composed by Casey Siewierski, TV and recording star of 20 LP's.

Owner of Vi's Yellow Bird on Route 173 West of Antioch in Channel Lake, she has been at that location since last May and will celebrate her 1st anniversary at a gala event this coming May. Vi formerly owned Vi's Getaway in Chicago and has been in the business some 26 years.

During that time Vi was active in the radio business and worked as a disc jockey for 25 years. She has worked for WEDC, WSBC, and WHSC in Chicago; for WOBA in Oak

Park; WHSC, now WVON in Chicago, and for WTAQ in LaGrange, Illinois. The "Polka Bunny Hour" was aired from her lounge in Chicago and MC'd by Vi. Having just finished the "Happy Hour Show" along with Uncle Jess and the Stardusters, Vi is presently in the process of planning a live show to be broadcast directly from Vi's Yellow Bird.

If you are wondering what brought Vi and her husband Albert to Antioch - they were persuaded to make the move by cousins, Pat and Jackie, who are the proprietors of the Brave Bull, which is on Route 83.

Vi and her husband have been happy in their new location and wish to extend their thanks to all of the many people who have made their first year successful.

Jeff Witt (r) is demonstrating his St. Peter's School Science Fair project to Father Johnson and a classmate (Staff Photo)

ST. PETER SCIENCE FAIR

Under the direction of Mr. Thomas Sittler, head of the Science Program, St. Peter's fifth through eighth graders conducted a fascinating Science Fair in their gym last Friday afternoon.

Among the array of exhibits were such projects as Conditioned Learning - training an animal by means of rewards to perform a certain task, like running a maze.

Twenty First Century House - push button control, pollution free, economic design of house.

Evolution of Man and tools - body form of man concentrating on hand, foot, and skull.

Lungs - Cancer and smoking
Space Age City - Terrariums

for fresh oxygen and food..... energy source - solar batteries.. transportation through connecting tubes.

Winners of the Fair were: 1st Place Al Roth and Rick Larsen for their Termites project. Walt Nawokowski, Dave Walpole and Brian Bednar for their project on Evolution of Man and tools.

2nd Place Chris Carroll for his project on Fluids of the Human Body.

Pat Solar for her project on Mumification and Pyramids.

Students have been working on these and many other projects since September. Parents and visitors were pleased and impressed by the scope and variety of student exhibits.

TOFT RECEIVES RESPONSE ON ELDERLY HOUSING

The following response was received by Mayor Toft from the Housing Authority of Lake County in regards to elderly housing:

Dear Mayor Toft:

We have just received word from the Dept. of Housing and Urban Development that because of the eighteen month

moratorium on all public low-rent housing imposed by the President, the application for Elderly Housing in Antioch is being held in abeyance until further instructions are received from Washington.

Evidently unless Congress is able to eliminate or over-ride the moratorium, this is where we will stand for quite some time.

When anything at all transpires on this matter, we shall certainly inform you and your Board.

Very truly yours,

George Dietmeyer, Director

IN MEMORIAM

IN LOVING memory of our dear son and brother, Bill Hazel, who passed away, February 24th, 1969. Four years have passed since that sad day. The one we loved so much was called away. The call was sudden, the shock severe, with little thought that death was near. Only those who have loved and lost can tell the pain of parting without farewell. While our dear one rests in heavenly peace, his loving memory we shall always keep.

Loving Father, Leroy;
Mother, Julia;
Brothers, Andy and Kenny

PETITIONS AVAILABLE FOR ST. PETER SCHOOL BOARD

The deadline for filing petitions for 2 seats on St. Peter Board of Education (for 3 year terms) is Tuesday, March 6th. Petitions are available at the school office.

The next regular board meeting will be Thursday, March 8th. Candidates for the April 15th election will be announced at that time.

After the meeting the film "Future Shock" will be shown. All parents and parishioners are urged to attend and view this timely movie.

NEW GARMENT LABELING by: Carol Drygas

Last year the Federal Trade Commission requested more clarity from manufacturers about garment care. "DO NOT USE PERCOTNELYN", etc. But, how do you wash a coat? And what's the matter with "Perc" it's a safe and effective solvent used by most cleaners! Well, with some help from the National Institute of Dry Cleaning and our own experience here at S&S TAYLORS AND CLEANERS here are some suggestions:

(1) Ask a professional. Many of these garments simply require special handling to clean well.

(2) Garments made in Taiwan, Korea, etc. should be washed due to the type of dye produced there. However, we've cleaned many with no difficulty resulting.

(3) Read the label and leave it there! When you take a garment in to the cleaner point out special labeling. We at S&S look for special trims and fabric when the item comes in. Some vinyl and suede like trims require special care to clean well. The "trick" to good cleaning is knowledge - we'll be glad to share some of ours with you. Any questions? Call or stop in!

SEQUOIT HAPPENINGS

BITS AND PIECES

By: Taffy Engelhardt

The junior class executive board, headed by President Steve Albright had a meeting with Mr. Polley, Mr. Kurek, and Mr. Blecke to discuss the details and plans for the prom, which will be held here at Antioch. The gymnasium will be rented. There is a tentative date and theme but it can't be publicized as of yet.

Student Council voted on pins and got committees started for several things. The Banquet Committee is Carol Wells, Fran Colette and Kim Shkapich; Student Council Week Committee is Carol Wells, Frank Nevitt, and Taffy Engelhardt; Spring Dance Committee is Tim O'Neill, Bill Beese, and Kim Shkapich. Bill Beese reported on Student Responsibility. Wendell Burris gave us a short report on a new grading program called ABCD-No-Record. He is trying to get an organized committee in which he'll further investigate this system. The subject of revising the Constitution came up and the meeting was adjourned.

Although our fine wrestlers Keith Larsen, Rick Roberts, and Steve Shaffer were not able to go downstate, Shaffer placed and they all did a great job and should be commended on a fine season.

The Basketball Sequoits came up with another victory against Wauconda Friday night and are looking forward to the last game in the conference, which is at home this Friday, against Lake Zurich. It also will be Parents Night. Then we're headed for regionals! Antioch is hosting them, so they should be very exciting. Let's see a lot of fans.

AN OUTSTRETCHED HAND

Each of us was made by God and some of us grew tall. Others stood out in the wind their branches bent and fell. Those of us who walk in light must help the ones in darkness up. For that's what life is all about and love is all there is to life.

Each of us was made by God beautiful in His mind's eye. Those of us that turned out sound should look across our shoulders once and help the weak ones to their feet.

It only takes an outstretched hand.

Rod McKuen

THE FEARLESS FUN MACHINE

I had just gotten off the bus and was starting home through

our long driveway. A fresh snow had fallen the night before, and there was evidence of excitement all around.

A lonely rabbit had crossed our front yard in search of shelter. It was leaping in ten-foot lengths, trying to get away from a rather low built "animal". The strange thing was, the animal had only one eye, was about 300 pounds; and to put even more pressure on the little rabbit, there were about seven of them. It left a track about two feet wide and was extremely fast. Well, if you haven't guessed the animal already, it was the fun vehical of wintertime - the snowmobile.

The machines are out just as much at night as in the daytime, and probably twice as much fun. The families around where I live that have snowmobiles know the countryside as well as I know my back yard. This is where the fun comes in. For if you don't know all the obstacles there are, you might wind up running into a nearby fence or hitting a local boulder.

Even on the lakes where the machines go their fastest, you must watch out for piers and people. Plus the ice fishermen who want to get an early start in the morning and bring their shanties in without you noticing them until you hit it going 60 m.p.h.

Yes, the snowmobile has become one of the top winter sports in America. But without a little caution and common sense, it can be a killer to humans and animals, even to the speedy, defensive traveler of the fields - the timid rabbit.

Ed Anderson

HOW SCHOOL DRESS CODE HAS CHANGED

During the last couple of years here at Antioch High School, there is one thing that I have seen changing most - the clothes the students are wearing. At the beginning of my Sophomore year, the dress code here at Antioch was pretty strict, just as in most other schools.

Girls had to wear skirts or

dresses that could be not shorter than five inches above the knee. Boys wore dress pants or regular pants, shirts were required to be tucked in, and if the pants had belt loops, a belt had to be worn. Their hair also had to be kept pretty short. Neither boys nor girls were permitted to wear sandals.

Now you can wear anything from open-backed blouses to torn blue-jeans; the only thing you can't do is go bare-footed. That's against state school regulations.

Diane Butterfield

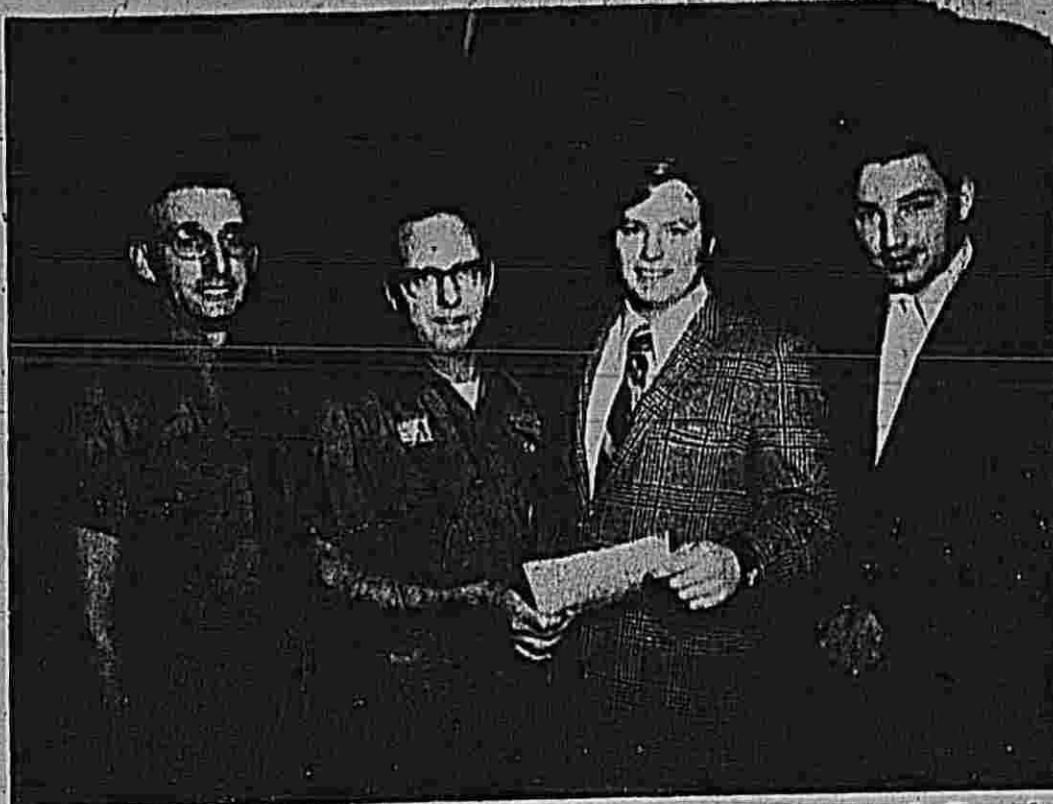

ROUND LAKE IN RETROSPECT

While the conference title is in essence in the possession of the Round Lake Panthers, it is often interesting to me to look at the game in retrospect. What could have happened differently to change the outcome of the game.

While all the Antioch players played an outstanding game, the defensive performance of Mark Andrews perhaps stood out most prominently. Mark stuck with the Panther's star Bill Swieton like his shadow. There was very little that could be improved on in our defensive game.

One unusual occurrence could have changed the outcome in favor of Antioch however. With ten seconds remaining in regulation play and the score tied at 47 all, Tim Mieu came dribbling and weaving down the floor like a halfback on a long broken field run. Just as he crossed the second line he slipped and hit the floor losing control of the ball. Later it was found he slipped on paper clippings thrown on the floor by Round Lake fans. It is very possible had he not slipped, Antioch would have won the game and now be champions of the Northwest Suburban Conference.

Glen Amundsen

Presentation of Pack 192 Charter (l to r) Richard Dauck, Cubmaster; Ray Atwood, Council Representative; Brad Ipsen, Institutional Representative; Dennis Horton, Committee Chairman.

CUB PACK 192 HOLDS BLUE AND GOLD DINNER

On Sunday, February 18, 1973, Cub Scout Pack 192 held its' Annual Blue and Gold Dinner at the Oakland Grade School.

Mr. Ray Atwood, Council Representative spoke briefly on the history of Scouting and presented Mr. Brad Ipsen, Institutional Representative from the State Bank of Antioch, with the 1973-74 Charter.

The State Bank, which has sponsored the pack for more than 10 years, also donated the meat for the dinner and presented each boy with a Cub Scout scrap book. The dessert for the occasion was donated by Rolands Bakery.

After the presentation of awards, the boys and their families enjoyed a movie on Ma-Ka-Ja-Wan, a Boy Scout Camp located in Pearson, Wisconsin.

ST. PETERS HIGH SCHOOL RELIGIOUS CLASSES RESUME

High school religious discussion classes will resume Monday, March 5, at 7:30 p.m. in the Family Room of the

school. All classes will view the film "Future Shock" immediately preceding the discussions. Please come and invite your friends.

957 VICTORIA ANTIOCH PANTS & MORE LTD.

(Week of March 2-8)

ARIES (March 21-April 20): You stand out from the crowd this week, possibly as a result of some special creative talent or ability. Be prepared. Signs favorable for social activity. Best day: Saturday.

TAURUS (Apr. 21-May 20): Your enthusiasm gains friends and respect in school, on career matters. An excellent period for improving your wardrobe, grooming. A chance meeting could lead to romance. Best days: Friday, Monday.

GEMINI (May 21-June 21): Favorable for improving personal relationships. A good time to clear up a misunderstanding. Social cycle is high over weekend. Best day: Thursday.

CANCER (June 22-July 21): Caution indicated for all business matters, especially those involving family finances. Your normally easy-going nature could be strained by family tension. Best days: Monday, Thursday.

LEO (July 22-Aug. 22): Favorable period ahead for new career or business opportunities, romantic attachments. A weekend outing with a loved one can lead to greater harmony at home. Best days: Sunday, Monday.

VIRGO (Aug. 23-Sept. 22): This is not a time to stay in bed. If you want to get ahead, signs favorable for work, business, school achievements. Unfavorable for furthering family harmony, unless you display unusual tact and patience. Best days: Friday, Saturday.

LIBRA (Sept. 23-Oct. 22): Excellent weekend for family excursion, broadening other social contacts. Romantic signals favorable for single persons born under your sign. Best days: Saturday, Monday.

SCORPIO (Oct. 23-Nov. 22): Civic involvement, family matters favored Friday and Saturday. Be cooperative and things will go smoothly. You could be in line for a promotion or civic recognition. Best days: Friday, Thursday.

SAGITTARIUS (Nov. 23-Dec. 21): Time to stick to routine. Be sure to get plenty of rest to avoid health problems. Attentiveness to the mood of a loved one can assure family harmony. Best day: Monday.

CAPRICORN (Dec. 22-Jan. 20): A lucky and favorable period for all activities. Financial worries could be eased through an unexpected raise or other windfall. Creative aspects high; romance could be on the horizon. Best days: Friday, Saturday.

AQUARIUS (Jan. 21-Feb. 19): Financial aspects high. Follow your hunches in business matters. Career and personal relationships should go well. An excellent time to shop for new clothes, improve grooming. Best days: Friday, Saturday, Sunday and Thursday.

PISCES (Feb. 19-March 20): Moon in your sign Saturday and Sunday makes for a pleasant weekend. Take your mate out for an evening on the town. An attractive business opportunity can come your way Tuesday or Wednesday. Best days: Tuesday, Thursday.

HAVE I GOT A SURPRISE DINNER FOR YOU TONIGHT!

THANK—YOU

ANTIOCH'S STUDENTS ON DEAN'S LIST

Dr. R. Ernest Dear, Dean of Instruction at the College of Lake County, announced that 431 students at the College qualified for the Dean's Honor List for the fall semester of the

academic year 1972-73. Students from the Antioch area are: 4.0 Georgette M. Banwart; 3.0 Linda Carter, Dawn E. Ellis, Brian D. Hallwas, Carl V. Knutsen, Ken G. Kishkunas, Lynne Nowak, Barbara M. Sander, Lawrence J. Vendl, Kathleen A. Wurster, Russell C. Damske, Kelly Grant, James P. Knight, Ed J. Krupo, Tom S. Lasco, Gary P. Racine, Christine Szuberla, Raymond W. Wozny, and James K. Palm.

Dr. Dear stated that the qualifications for the Dean's Honor List require that a student carry a full load of 12 or more semester hours and achieve an overall grade point average of 3.0. Dr. Dear stated, "A special commendation should be given to those who achieved an overall 4.0 or straight 'A' grade in all courses attempted."

CHAS. GEIST OFFICER IN IFC AT WESTERN U.

Six students have been elected 1973-74 officers of the Interfraternity Council (IFC) at Western Illinois University.

Among them is Charles P. Geist, Rte 1, Antioch, a sophomore in accounting. He is a Theta Chi, Student Government Association Representative.

Charles will take office this spring quarter and serve for one year.

Western's IFC has 10 national and one local fraternity in its membership. Steve Lourie, University Union activities advisor, is the IFC advisor too.

MICHAEL E. WALLOCK

Airman Michael E. Wallock, son of Mr. and Mrs. Edmund L. Wallock of Rte 3, Lake Villa, Illinois has been assigned to Travis AFB, Calif., after completing Air Force basic training.

During his six weeks at the Air Training Command's Lackland AFB, Texas he studied the Air Force mission, organization and customs and received special instruction in human relations.

The airman has been assigned for further training and duty in the civil-engineering mechanical and electrical field.

Airman Wallock, a 1969 graduate of Grayslake High School, attended Lake County College, Grayslake.

career clinic launched

The Family Counseling Clinic has just started a career counseling program which is individualized to meet the needs of just about anyone. In order to introduce the Career Counseling Clinic to area residents the Clinic is holding free orientation sessions where the career experts outline the program and answer questions. In order to reserve a place at a free orientation, interested persons should call the Family Counseling Clinic at 223-8107.

"This program is not only for the high school or college student, even though it would be very beneficial to either," Friedman said. "Because it is individualized it would be a great tool for a woman planning to return to work or school, a person whose present job is a drag, or someone about to be discharged from the military."

Wendy P. Jensen, daughter of Mr. and Mrs. Robert Jensen, 477 First Street, Antioch, is serving as resident assistant in Rall Hall, a women's residence dormitory on the North Central College campus in Naperville, Ill.

Duties of a resident assistant are to serve as liaison with other college staff, help answer questions of residents, serve as

advisors in dorm matters and offer guidance to those who request it. They are selected because of their interest, maturity, responsibility and good judgement.

A 1970 graduate of Antioch Community high school, Miss Jensen is a junior majoring in physical education at the coeducational, four year liberal arts college.

To our friends in the community:

Both Carolyn M. and John L. Horan appreciate very much your "get well cards" to Carolyn during her brief operation. Carolyn is home now and doing very nicely.

The Horans at 407 Orchard St., Antioch.

Obituaries

WILLIAM MC CUNE 71 years old of Camp Lake Wisconsin passed away on Wednesday, February 21. He was a farm laborer. Formerly of Chicago, he lived in Camp Lake for the past 6 years.

Funeral services will be held at 10:30 a.m. Wednesday at the Strang Funeral Home in Antioch. Interment will be in Home Oak Cemetery near Antioch. Friends may call at Strang Funeral Home from 9:00 a.m. on Wednesday to the time of the service.

MRS. JEANNIE WELLS 79 years old - formerly of Twin Lakes, Wisconsin passed away Saturday, February 24th at the Walworth Co. Home in Elkhorn Wisconsin after a long illness. She was born June 30, 1893 near Peotone, Ill and had lived all of her life in Lake County, Illinois and Kenosha County Wisconsin. She was preceded in death by her husband Spencer Wells on July 11, 1970. Survivors are 2 sons: Harold Wells (Burlington, Wisc.) and Glenn Wells (Twin Lakes, Wisc.) 1 daughter Mrs. Leonard (Grace) Michaelis (Burlington, Wisc.) 1 sister, 5 grandchildren and 10 great grandchildren.

Graveside funeral services

were held at Hickory Union Cemetery near Antioch at 1:30 p.m. Tuesday, February 27. The Rev. L.H. Messersmith of the Milburn Congregational Church officiated.

MRS. ALICE HAWKS - 51 years old of Antioch passed away February 26th at 5:25 p.m. at victory Memorial Hospital in Waukegan after a brief illness. She was born on March 21, 1921 in Chicago and lived in Antioch since 1962. She was a member of St. Peter's Church and the Altar and Rosary Society of the Church. She was also a member of the Antioch Woman's Republican Club in Antioch, the Polish Lodge No. 1448 of Chicago and a former

member of St. Annes Sodality of St. Edwards in Chicago. She was formerly employed by the Globe Department Store in the Lakeland Plaza, Fox Lake.

One son, Robert J. Hawks, who was with the Marine Corp in Vlen Nam and her father, Frank Woda, preceded her in death.

Survivors include her husband, Vincent C. Hawks, 1 son, Dennis (Janet), 2 grandchildren her mother, Mrs. Marie Woda and 1 brother Edward.

Funeral services will be held at 11:00 a.m. at St. Peter's Church in Antioch. Interment will be in Mt. Carmel cemetery in Antioch. Friends may call at the Strang Funeral Home after 3 p.m. on Thursday.

THE
TRUTH
THAT HEALS

SCHOOLS DEVELOP HOUSING POLICY

Continued

funds, construction funds, maximum enrollment and minimum school sites, and has adopted the following policies to be used as guidelines for the contribution of cash and-or land.

OPERATING FUNDS

Under Illinois Law, there is a period of time which lapses between the date real estate is rezoned, subdivided, taxes levied and collected, annexed, and-or improved the date the same real estate is assessed at the increased value which result from the rezoning, subdivision, annexation and-or improvement.

The resulting lag in the collection of real estate taxes in Illinois at the new assessed valuation is primarily due to archaic laws covering the date when real estate can be assessed. This is once a year only. The time lag between the entrance of the students into our school system and the receipt by the School District of tax revenues, based upon full assessment is twelve (12) to thirty (30) months.

While we are suffering this tax lag, we must educate the students resulting from new developments. This additional expense may be partially reimbursed by the state, but a major portion of the costs of education are borne by the District.

CONSTRUCTION FUNDS

At the present time, the approximate cost of providing new school facilities is as follows:

Elementary K-5 -- \$1,800 per student
Elementary K-8 -- \$2,100 per student
Upper Grade School 6-8 -- \$2,800 per student
Senior High School 9-12 -- \$3,600 per student

Due to the limit of the District's bonding capability, construction of new facilities to accommodate a sudden increase in enrollment is not possible.

MAXIMUM ENROLLMENT

In keeping with the public interest, convenience, health, welfare and safety of the community and students, the District establishes the following maximum enrollment for each type of school:

Elementary K-5 -- 600 students
Elementary K-8 -- 900 students
Upper Grade School 6-8 -- 1,000 students
Senior High School 9-12 -- 2,500 students

In keeping with the public interest, convenience, health, welfare and safety of the

Type	Base Site	Ac Req. Over Bs St	Min. Ac Max. Enr.
Elementary K-5	4 acres	1-100 students	10
Elementary K-8	7 acres	1-100 students	16
Upper Grade			
School 6-8	10 acres	1-100 students	20
Senior High School			
9-12	25 acres	1-100 students	50

Each school site will be made available to members of the community to the maximum extent possible within the limits set by the school use and financial resources. The elementary school site should be within walking distance of the development.

The use of adjacent land will be considered in selecting a site to assure safety and a pleasant school environment. The portion of the site upon which the school will be placed must be well drained and suitable for conventional construction. All of the acreage in the site must drain promptly and properly.

Sites must be of shape and contour to allow for the construction of buildings and provision of outdoor space including level area for physical education and athletics. Access to a site shall be available on fully improved streets capable of accommodating the traffic added by the school placed on the site. All utilities and improvements must be available to the site at the time that construction of the school is scheduled to commence.

DETERMINATION OF STUDENT YIELD

The attached table is adopted to determine the number of

community and students, the District establishes the following minimum schools sites for each type of school:

elementary and secondary school age children to be generated and, therefore, directly attributable to the activity of the proposed development.

REQUESTED DEVELOPMENT CONTRIBUTIONS

The following contributions are requested of new Housing Developments.

1. Monetary Contribution.

Monetary contribution is requested on a per unit basis according to the following formula:

School-District's Tax Rate x Unit Assessed Valuation x

1.5 (18 Month Average Tax Lag Factor)

2. Land Contribution.

Minimum acres at maximum enrollment
Maximum enrollment x Projected Student Generation Per Unit

At the discretion of the Board of Education, cash may be requested in lieu of land. The amount of cash to be contributed is to be based upon the cost of fully developed site space as described in the section on Minimum School Sites.

TABLE OF ESTIMATED STUDENT YIELD

PER DWELLING UNIT

CHILDREN PER UNIT

CHARLOTTE RYDIN 75 yrs old Wedgewood Subdivision near Antioch passed away Monday, February 26 at Victory Memorial Hospital, Waukegan, Illinois. She was born September 19, 1897 in Chicago and has lived Antioch for several years. She was a member of the Ladies Auxiliary of the V.F.W. Naval Convoy Ship No. 300 in Chicago. She was preceded in death by her husband Alfred Rydin on October 27, 1962 and 1 grandson Vernon Rentsch on Sept. 19, 1970.

Survivors are 1 daughter Mrs. Lorraine Rentsch of Antioch, 2 grandchildren and 4 great grandchildren. Also survived by 1 nephew and 1 niece.

Funeral services will be held at 1:00 p.m. in the Strang Funeral Home in Antioch. The Rev. Phillip Laurin of St. Stephen Lutheran Church in Antioch will officiate. Interment will be in Ridgewood Cemetery, Des Plaines, Illinois.

Christian Science Churches

In Luke 9 we read how Jesus sent his twelve disciples through the towns, preaching the gospel, and healing every where. The perfection of man will be brought out at Churches of Christ, Scientist, this Sunday in the Bible Lesson-Sermon "Christ Jesus".

From Science and Health with Key to the Scriptures by Mary Baker Eddy this citation will be read: "Jesus instructed his disciples whereby to heal the sick through Mind instead of matter. First in the list of Christian duties, he taught his followers the healing power of Truth and Love."

Everyone is invited to attend services at the First Church of Christ, Scientist, BEACON HILL, Rte 173 and Harden, Antioch, Ill. They begin at 11 a.m.

MATting PICTURES.....

Framing watercolors, pastels, and prints require glass and mats for protection. The mat can be thought of as a wide border surrounding the picture. It is of single or double ply thickness, which creates a minute space between the glass and picture, for protection from damage caused by condensation on the glass or friction by rubbing against the glass. It also enhances the picture and therefore careful consideration should be given to the choice of white, gray or colored mat board, textured, smooth or cloth covered. Take the picture with you when you go to the art store or framing shop to buy the mat.

An average picture will take a mat board approximately 3" larger than the picture at the top and sides and 3 1/2" to 4" along the bottom. Then from this mat board cut a window, which is slightly less in the size than the picture so that the border overlaps the painting amply on all sides. Remember to allow for this overlapping when you paint the picture, by allowing 1/4" extra on all sides as not being important to your composition.

For success in cutting the mat you need a very sharp razor type knife, a wet stone for keeping the blade sharp, an accurate rule for measuring, a T-square to keep your corners at 90°, and a metal straight edge to guide your cuts.

On the right side of the mat board, measure the border and draw the window with sharp thin pencil lines. Cut into all corners first as this will prevent "over cutting" beyond the window allowance. Place the metal straight edge along the border side of the pencil line, then if your knife slips off the pencil line it will cut into the window area, not the border. Do not exert extreme pressure, but cut with a firm steady pull

toward you, cutting through only a few layers of the mat board at a time. This results in a cleaner cut. Go over and cut several times until you feel you are through the entire thickness. You will see how that cutting from the right side of the mat board will allow the resulting ridged edge to be on the wrong side and rubbing lightly with sandpaper will correct this. Beveling instead of straight cutting takes a special mat cutter which holds the blade at the set angle. And like anything else, practice makes perfect. If cutting a mat has proved too difficult, give up. Framing shops sell pre-cut mats or will cut them for you, but they are expensive, approximately three dollars for an average mat.

To complete the matting, the painting can be affixed to the back of the window, but I prefer the following method. Hinge another piece of mat board to the top underside of the front mat with along piece of gummed tape. Fasten the picture to the back mat in its proper position with gummed tape only at the two upper corners to allow the picture to expand and contract as the humidity changes. Never glue the picture down tight all around as this would cause it to either wrinkle or tear. To the back of the window tape a sheet of acetate or transparent paper. This protects the painting or print from damage until it is properly framed under glass. This method allows you to store a lot of pictures in a small space, such as a portfolio for easy viewing and selling at art fairs.

Happy Matting.

Next week: Framing pictures for art shows.

Another Art Show Date: Saturday, July 21, Antioch's First Annual Arts and Crafts Fair, sponsored by the Chamber of Commerce.

With a Stern Eye

Considerably less than a year ago I wrote a column about the incompetence of the so-called Ethics legislation. "No teeth in it" was the tenor of that article, "but it may gum us all to death." I had no idea at that time how mangled and mused we would yet become. The purpose of the law seems clear: to delineate in the life of each officeholder and-or candidate for public office and-or public employee of the upper salary stratum (over \$20,000) those areas where there may be some conflict of interest between financial well being of the human being and the greater good of that unit of government which he (she) serves.

In the past two months I feel I have become (with a deferential nod to the States Attorney General and every municipal and township attorney in the State of Illinois) THE living expert on the subject of the Economic Interest statement. Naturally when my opinion is asked, which has been about 40 times a day this past couple of weeks, I always murmur demurely that mine is not a legal opinion, that if the inquirer wishes a less expert but more legally reliable expression, he should discuss his problem with one of those in the above parenthesis.

So what is the difficulty that keeps filling the newspapers with the tormented cries of candidates? From whence cometh all the confusion and cussing? Well, I'll tell you. The new constitution passed by the voters of this state, has in it (Article XIII, Sec. 2) a paragraph requiring that "all candidates for or holders of state offices and all members of a Commission or Board created by this Constitution shall file a verified statement of their economic interests, as provided by law." It goes on to say: "Failure to file a statement within the time prescribed shall result in ineligibility for, or forfeiture of, office." Ah there, you cry (if you are a candidate or considering becoming a candidate) what is the time prescribed?

Now then, students, we turn to the law itself: Public Act 77-1806. We find that it is nicely detailed, that the questions it lays out for the form-filler are

quite explicitly incomprehensible and that the timetable to be followed in filing the statement (filled out, signed and suitably notarized) is specifically vague. "A candidate for elective office shall file his statement at the time he takes the action necessary...to attempt to qualify for nomination..."

What does that mean? Does he have to file with the County Clerk on the same day he files? Or does he have until the last day of the filing period? Or does he have until the last day of the challenge and-or withdrawal period?

Well, there was this legal case, see, where the candidates for the City of Bloomington were eventually removed from contention because they had not filed their statements of Economic Interest on time. And one of the factors in the resolution of the case had to be the presence of the Attorney General of Illinois, as a friend of the court, helping to formulate the case against the defendants.

With such an eminent precedent, our own 19th Judicial Circuit Judge Alvin Singer could hardly do otherwise than strike the four challenged North Chicago candidates from the Primary ballot there. They had filed after the closing of the challenge and withdrawal period. No one, they say, informed them of the need to file at all. And that's probably correct. Even though our County Clerk's office has sent out occasional press releases, and even though last Spring we wrote specifically to every municipal and township Board, and each School Board advising them of the requirements of the new law - it has still been a difficult concept to get across. And unless one were already in office one would not have bothered either to read the articles or to bone up on all those legal requirements.

Because there are candidates all over the State of Illinois just discovering they neglected to file either at all or one time (according to the Bloomington precedent), the Legislature is now considering a bill to extend the filing date by an additional 30 days. The alternative would seem to expunge from the ballots of a great number of municipalities and townships, the names of most of their candidates.

Challenges are being filed all over the place; Clerks have been cancelling ballot orders; States Attorneys have switched to a milk-toast diet; and even the incumbents have begun to sweat because the Attorney General advised recently that "to be safe" perhaps they should have filed in January also instead of relying on their 1972 statements.

The only unimpeachable fact about the whole Ethics situation is that it has made a monkey out of every court, every candidate and every Clerk in Illinois....

Ronald Cunningham (l), William Seemann (c) and Robert Wilton (R) Citizens Action Party candidates are shown studying possible future sites for park and recreational facilities in the village. The Citizens Action Party has made an extensive study of park and recreational needs for Antioch and has included the possibility of additional park and recreational facilities as part of the Citizens Action Party platform.

Inflation hasn't changed the price of ashes.

But it has changed the price of your home. For example, if you bought a \$20,000 home in 1968—today it's worth about \$27,000. Don't be left with a costly pile of ashes. See me about a State Farm Homeowners Policy that will cover your home for all it's worth... and keep it that way with automatic Inflation Coverage.

WESTERN ILLINOIS WRESTLERS EYE NATIONALS

Six Western Illinois wrestling hopefuls have been named to represent the Leathernecks in the NCAA college division championships at Brookings, S.D., March 2-3.

Western Coach Bob McMahan named a group which has a combined record of 92 wins, 24 losses.

The big three, so to speak, are heavyweight Jim Woods (Chicago Hts - Bloom), 177 lb. Jim Kulpa (Oak Forest-Tinley Park), and 167 lb. Rick Nelson (Antioch). Those three have won 60 matches this season, while losing only one in regular competition.

Woods, an NCAA runnerup

last season, was 22-3 this season. His only three losses were in the prestigious Midlands Championships. He led the squad in team points, 103, and pins, 10, which included six in a row. Woods, a 6-5, 265 lb. giant, recorded a 10 second pin this year to set a new school record.

Kulpa, who finished sixth in the 1972 nationals, won 18 of 21 matches this season; he too, lost only in the Midlands. Kulpa had six pins.

Nelson, who led the squad in takedowns with 57, finished the regular season with a 20-3 mark. He had two losses in the Midlands and only one regular season's defeat.

CLC BASKETBALL TEAM WINNERS OF SKY-WAY CONFERENCE

Pictured is the CLC basketball team, winners of the Sky-way Conference with a record of 12 wins and 2 losses. The Lancers also won the Region IV Sectional tournament and take an overall record of 22-7 into the state finals at Rockford on March 2-3.

The team members are graduates of the following area high schools: Mark Polson-Antioch, Dave Worklan, Carmel, Rich Pinkowski-Grant, Joe Bartolai-Highland Park, Terry Benjamin-Libertyville, Dwaine Ingram-North Chicago, Bobby Calhoun, Greg Holmon, and Mike Worklan-Waukegan, Dave Warren Zion-Benton. Kneeling, (l to r) Dave Worklan, Dwaine Ingram, Joe Bartolai, Bobby Calhoun, Terry Benjamin and Dave Warren. Standing (l to r) Dr. Bruce Smith, coach, Rich Pinkowski, Mike Worklan, Mark Polson, Greg Holmon, Freddie Taylor and Monte Kleberdanz, Asst.

RIFLES SOLD TO LAKE FOREST BUSINESSMAN

Controlling interest in the Lake County Rifles Professional Football Team has been sold by Meister Brau, Inc., to a Lake Forest business and civic leader and his wife.

Purchased by Joseph O'Neill, 62, and his wife, Bothilda; both of 1120 N. Waukegan Rd., Lake Forest, were 51.7 percent of the outstanding common shares of the minor league football club. Purchase price was not disclosed.

The Rifles are the only professional minor league football team left in the Chicago area and play in the oldest minor league in the country, the Central States Football League. Team offices are at 117 E. Cook Street, Libertyville.

O'Neill said the Rifles will have another winning record this season, a record that includes never finishing lower than second place in its nine seasons of action. He said that player recruiting and season ticket sales will start this month.

He is the owner of O'Neill Hardware Store, a 105 year old establishment in Lake Forest, and has interests in other businesses. O'Neill is the former president of the Illinois Hardware Retailers Association and for 14 years was on the board of Cotter and Co., the operators of the True Value hardware stores.

Active in civic work, he was a member of the Lake Forest College Alumni Board for 14 years; he headed the Polio Foundation in Lake County and Lake Forest; was Lake County Red Cross Disaster Chairman for 10 years and resigned earlier this month from the Lake County Safety Commission where he had served since 1956.

GAGEWOOD LIONS ANNUAL SNOWMOBILE DERBY

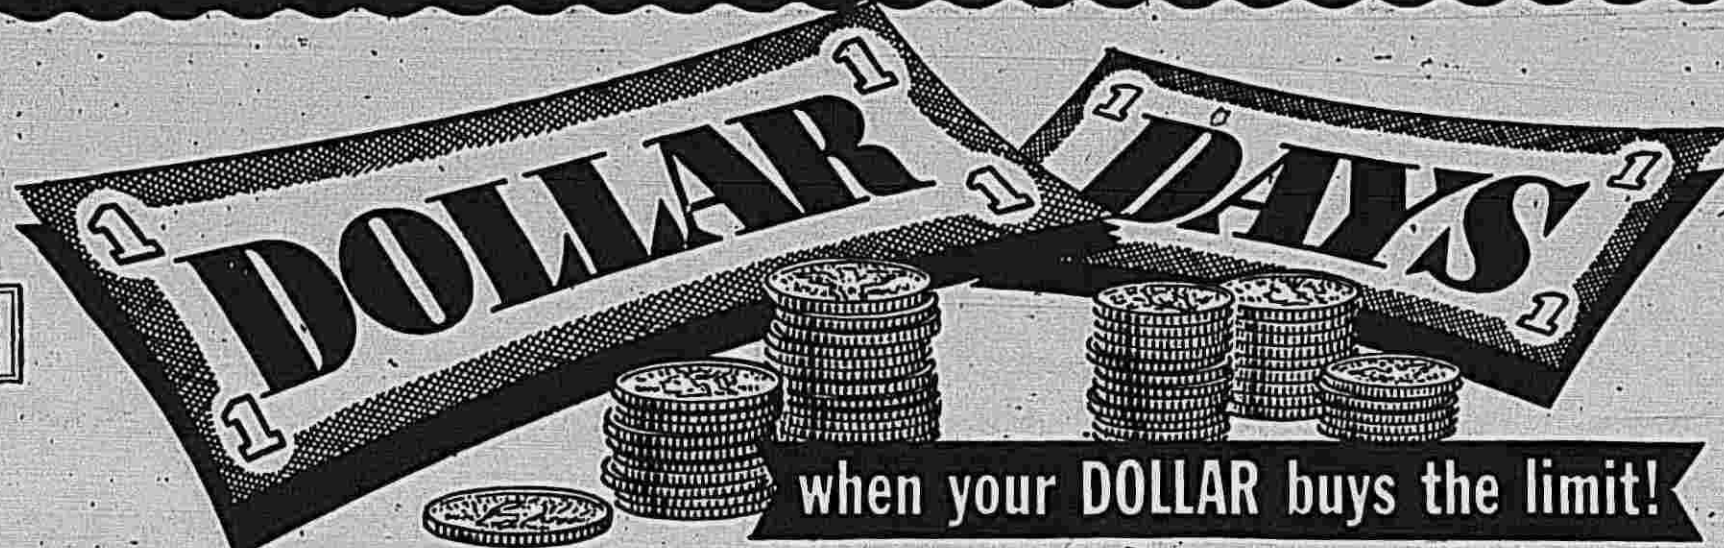

The fourth annual Gagewood Lions Club snowmobile derby, which has been featured as a family affair, is scheduled for Sunday, March 4, at the College of Lake County.

Three major events - one-eighth mile drag; clover leaf; and an endurance race - are planned. Except for the clover leaf only those 16 and over will be permitted to enter; all races are open to both men and women. A special endurance race is planned for those under 16.

Trophies will be given to

winners in each class and ribbons will be given to second and third place winners. USSA (United States Snowmobile Assn.) rules will be enforced, except in the stock division, where competitors must stay in his own class. There are five classes in each division - stock and modified. Points will be accumulated for the all-around high point trophy.

Registrations will be 9-10:30 a.m. only and race time is 11 a.m. Entry fee is \$10 for all three events per class, except for those under 16, who will be permitted to enter for \$5.

Mr. Robert Willwret (the balloon man) blew up a score of balloons on Sunday at the Antioch Grade School Fun Fair. Mrs. Harley Ware finds the balloons as much fun as the youngsters. (Staff Photo)

Double the amount of gold fish this year assured more children a chance to go home with something "Special" from the Antioch Grade School Fun Fair. (Staff Photo)

FUN FAIR HUGE SUCCESS

The Antioch Grade School Fun Fair was a huge success last Sunday, February 25. Mrs. Fred Holbert, president of the Antioch Grade School PTA said there was a large crowd most all day. There were 24 lucky winners from the raffle and the cake walk seemed to be most popular along with the fishing for gold fish. \$1,540 was banked today and the net results should come to about \$1,150 after expenses. Mrs. Holbert and the Fun Fair committee would like to thank the merchants who so generously donated prizes and a big thanks to all who helped to make the Fun Fair such a success. (staff photo)

SEQUOITS TOPPLE WAUCONDA 59 to 49

On Friday evening the fighting Sequoits travelled to Wauconda and returned with a fine 59-49 victory.

With their defense operating at an excellent level, the Sequoits moved ahead in the first quarter and stayed there the rest of the game.

In the second quarter, Mieure

ANTIOCH SOPHS WIN NUMBER 20

The Antioch Sophomore Basketball Team won it's 20th game of the season by defeating Wauconda 40 to 19. The Sophs are now 20 and 3 for the season with a conference record of 11 wins and 2 losses.

Kevin Walpole led the scoring for Antioch with 16 points. Bruce Tossey, Mike Perrone, John Green, Mike Witt, Russ Albano, Mike Grindley and Larry Smith also contributed in the scoring.

The Sophs will meet Lake Zurich this Friday at Antioch for their final game of the season.

THREE ANTIOCH WRESTLERS GO ON TO SECTIONALS

John Roberts (98 lbs), Kieth Larsen (119 lbs), and John Schaffer (132 lbs) have advanced to the Evanston Sectional of the State Wrestling Tournament. Roberts and Larsen accomplished this by taking first place in the District Meet held at Antioch on February 17 and 18. Schaffer took a second.

The sectionals held in Evanston, are the next step on the way to the finals in Champaign. The sectional will be held on Feb. 23 and 24 and will include such wrestling power houses as Maine East and East Leyden.

Both Roberts and Larsen wrestled exceedingly well in taking their divisions. Roberts was a lion in his match, totally dominating throughout. Larsen, however, had a tougher time with Lonnie Parker of North Chicago. It took a reversal in the last twenty seconds of the match to make Larsen the winner.

Schaffer was a darkhorse at the outset of the meet, but in a fine display of wrestling skill he was able to capture a second and keep his hopes alive for a try downstate.

Glen Amundsen

and McGuire cut loose with some fine shooting, as each man hit for four baskets. The Sequoit offense worked very well during the quarter, but the guard defense fell off. Because of this the Sequoits only outscored the Bulldogs 22-21 in the quarter.

During the second half, the Sequoits dominated the game with their excellent defense, and poise on their offense. There were a couple of times the Sequoits could have broken the game open, but just couldn't get the offense clicking like it should. With six minutes to go in the game, Wauconda in a zone defense, the Sequoits elected to hold the ball and force Wauconda to come out of the zone. This Wauconda did, but the Sequoit man offense just didn't click. In the last six minutes, Antioch didn't make any turnovers - just couldn't score like they should.

The leaders of the brilliant defense were Fred Popp and Mark Andrews. Andrews had Bob Fifield, Wauconda's top scorer, holding the top scorer to only two buckets and scoreless in the second half. Mark had some fine help from John Janosko in the third quarter. Popp held Wauconda's other top scorer to less than 10 points and scored a season high 10 points for himself.

Vic McGuire was the Sequoit

top scorer for the second straight week thanks to some fine passes from Mieure and Popp.

Stated Coach Andrews, "I am real pleased we came out of Wauconda with a win, they're a tough team with real good size." "Fred Popp really had a great game - by far his best game of the year." "We were real happy with the defense, it was at top form, just the offense spurring at times was of concern to us, but this will correct itself and we will be ready for Lake Zurich on Friday, March 2.

This Friday, March 2nd will be Parent's Night and the Sequoits last game of the regular season.
